

A clear online presence. A stronger first impression.

Thoughtfully designed. Easy to understand. Supported by a real person.

Built around your business.

A useful website makes your services clear and helps customers take the next step.

- **Beauty & wellness**

Present treatments clearly. Build trust. Make booking easier.

- **Hair salons & barbers**

Show your salon, explain your services and make appointments simple.

- **Automotive & workshops**

Explain your services, answer common questions and make it easy to get in touch.

- **Retail**

Present your range, opening hours and directions. Online shops are quoted separately.

Appointment booking depends on the selected package.

Three packages. Clearly defined.

Starter

from €1,499

One-time starting price, incl. VAT

For freelancers and small businesses presenting their services on one page.

- One page with up to 5 sections
- Custom design for phone, tablet and desktop
- Enquiry form
- Foundational Google Search setup
- Help with domain and launch

Business

from €2,499

One-time starting price, incl. VAT

For businesses with several services that want to edit their own content.

- Everything in Starter
- Up to 5 pages in total
- Edit your own copy and images
- Help with clear copy and image selection
- Appointment booking or enquiry form
- Personal handover and walkthrough

Premium

from €3,099

One-time starting price, incl. VAT

For businesses with a broader offering, case studies and updates.

- Everything in Business
- Up to 9 pages in total
- Detailed case studies or project pages
- Optional news and articles section
- Focused on-page Google preparation
- 30 days of agreed post-launch support

Final scope and price are agreed together. Domain, hosting and third-party services are separate. Online shops and apps are quoted as separate projects.

Your next step is simple.

01
